Stakeholders included industry, disability organizations, state and local governments and pedestrian organizations.

January 2001 PROWAAC Report “Building a True Community”

June 2002 Access Board Draft PROW Guidelines
(Comment period ended October 28, 2002)

Soon: Technical assistance on alterations from PROWAAC

Next Steps

- ▶ Review public comments received on the draft
- ▶ Develop a proposed rule and regulatory assessment
- ▶ Submit to the Office of Management and Budget (OMB)
- ▶ Publish proposed rule for public comment
- ▶ Review public comments received on proposed rule
- ▶ Develop a final rule and regulatory assessment
- ▶ Submit to the Office of Management and Budget (OMB)
- ▶ Publish final rule

Two-step Rulemaking Process

- ▶ The Access Board develops minimum guidelines for:
 - The Americans with Disabilities Act (ADA)
 - The Architectural Barriers Act (ABA)
- ▶ Under the ADA
 - DOJ and DOT adopt enforceable standards that are consistent with the Board's guidelines
- ▶ Under the ABA
 - DOD, GSA, HUD and USPS adopt enforceable standards that are consistent with the Board's guidelines

The Draft Guidelines

- 1101 Application and Administration
- 1102 Scoping Requirements
- 1103 Pedestrian Access Route
- 1104 Curb Ramps and Blended Transitions
- 1105 Pedestrian Crossings
- 1106 Accessible Pedestrian Signal Systems
- 1107 Street Furniture
- 1108 Detectable Warning Surfaces
- 1109 On-Street Parking
